The 24 Carrots team is a select group of highly experienced professionals who are here to serve you. But, experience is worth little without a great attitude. Our team members are courteous and gracious, always greeting you with a smile.

Every event is assigned a hand-selected Event Lead who ensures all aspects of your function are covered. 24 Carrots staff always arrive on-time and are ready before your event's scheduled start time. All members of our staff are prepared and motivated to perform at exceptional levels. Extensive service training is conducted throughout the year to maintain a consistent and enjoyable experience for our clients. In addition, servers are tested by the chef prior to each event and all staff are assessed once it has ended.

“ Everyone had a GREAT time and your crew was so EASY to work with. I've been getting complimentary calls and emails all week about the food and the décor! ”
